## Try out

Every year, USSR is attracting many enthusiastic badminton players. Everyone will be given a fair chance of joining the club by showing his or her enthusiasm for this sport. In order to evaluate the commitment and skill level of potential members, a **USSR Try-out** is organized at the beginning of academic year (September). For three-weeks' time, you are able to join maximum of two sessions of the training. However, you will have to sign-up for the tryout session at the beginning of the year. (Link will be available a week before the new academic year.) However, this taste of training will not guarantee you to be a member of USSR.

At the same time, if you are arriving Delft after this try-out period, you can inform us through the following link <http://www.unitedshuttles.nl/want-to-try-out/>.
